LMVCC Newsletter—Welcome to 2018

A Message from the New Chairman

Hello and welcome to all members, spectators, parents and friends of LMVCC.

It is my great privilege to write this as the new Chairman of the club. LMVCC is over 60 years old and, like a good wine continuing to get better with age. Running any sort of amateur sports club is no easy task in the current environment, especially with so much competition for people's time, but I am very excited about the season ahead and looking forward to building on the great work of my predecessor, Simon Barnett, to whom the club owes a debt of gratitude.

This season, we are pleased to have the 1st team playing in the top division of the Chess Valley League after a remarkable run of 5 successive promotions. We are also, after a gap of several years, resurrecting the 2nd team with the express intention of fielding sides made up of equal numbers of colts and adults and therefore making it a bridge between the colts and 1st team. Anthony Wise and David Marks have kindly agreed to take on the administration of the side.

Our colts section continues to thrive with under 11s, 13s and 15s teams in the Middlesex league this summer. Indoor nets have already started at Yavneh college on Monday nights from 6.30-7.30 (U9s and U11s) and 7.30-8.30 (U13s and U15s). Professionally trained coaches take both sessions.

Over the summer, we will be having our Club Day on **8 July**, with the ever popular fathers' and sons' tournament in the morning and plenty of other entertainment besides. We are also in talks with ECB about running courses for 6-9 year olds during the Summer, so watch this space!

The Committee has voted on the subs/match fees for the season and I will write to everyone separately on that. Please pay these as soon as possible, like any organisation "cash is king" and we have bills to pay.

Finally, we rely on a small band of people who give of their time to the club. We would really welcome more people getting involved and helping in whatever capacity they can.

I am always contactable to discuss anything to do with the club, if you have an idea, I can guarantee that it will be heard.
