LMVCC Newsletter—Fixtures Announced

This is who you're playing and when

The committee are delighted to announce fixtures for the senior and junior squads for this season. Once you've had a look through the dates, please head to the website (www.lmvcc.co.uk) and **update your availability** so the captains can have an idea of when you're able to play. We only have space for competitive matches here, but the full list is online. Members of the U15s are encouraged to make themselves available for the 1st team if they are interested in playing at a higher standard.

U11 Season Preview

Attendance at the colts training sessions has increased as we get nearer the start of the new season. Monday 3rd April is our last indoor session and we intend to start outdoor training on Sunday 9/April, weather permitting.

I am hoping for Joseph, Freddy and Dylan to continue the impressive form they showed last year, and for newcomer Ben to contribute with both bat and ball. Our first match is on Thursday 27/April, away to Totteridge, and I hope as many parents as possible can come along to support the team.
